STOMACHS ON STILTS.

The man who puts on stilts does not increase his actual stature. He only feels taller. Stimulants are the stilts of the stomach. They make a man feel better for the time being, but he feels a great deal worse for them afterward.

The need of the man whose stomach is "weak" is not stimulation but strength. Dr. Pierce's Golden Medical Discovery perfectly answers that need. It contains no alcohol or whisky. It cures the weak, foul stomach with its attendant bad smelling breath, coated tongue, bad taste, poor appetite and kindred symptoms.

"In the year 1899 I had an attack of indigestion and got so bad that my house doctor said he could not do me any good," writes Mr. J. T. Truitt, of Greenville, Texas. "I wrote to you and you advised me to use Dr. Pierce's Golden Medical Discovery, so I bought six bottles, and when I commenced using it I was so weak could hardly walk about the house. By the time I had used one bottle my stomach and bowels commenced to heal. There were signs of the lining of my stomach or bowels (I don't know which) as large as a man's two fingers passed and I had a good deal of misery in my stomach and bowels, and also in the rectum especially. I could not eat anything without suffering in the least. Could also do as much work in a day as I ever could. I have not suffered from the trouble since, and it was four years ago that I was so sick."

The sole motive for substitution is to permit the dealer to make a little more profit. He gains; you lose. Accept no substitute for "Golden Medical Discovery." Constipation causes and aggravates many serious diseases. It is thoroughly cured by Dr. Pierce's Pleasant Pellets.

CURIOUSNESS OF SEALS. SKIN.

Is Divined by Human Hair Where Dandruff is Eradicated.

Seal skin is admired the world over for its softness and glossiness; and yet the human hair is equally as soft and glossy when healthy; and the radical cause of all hair trouble is dandruff, which is caused by a pestiferous parasite that saps the vitality of the hair at its root. Newb's Herpicide is the only preparation that is fatal to the dandruff germ. Without dandruff there is no falling hair, but a luxuriant growth of glossy, soft hair is certain. Scouring the scalp won't cure dandruff. Kill the dandruff germ. Thousands of women owe their beautiful suits of hair to Newb's Herpicide. Sold by leading druggists. Send 10c. in stamps to Newb's Herpicide Co., Detroit, Mich.

STRONG Again

is what Mrs. Lucy Stovall, of Tilton, Ga., said after taking Kodol Dyspepsia Cure. Hundreds of other weak women are being restored to perfect health by this remedy. YOU may be well if you will take it.

Indigestion causes nearly all the sickness that women have. It deprives the system of nourishment and the delicate organs peculiar to women suffer—weakens, and become diseased.

Kodol Dyspepsia Cure

enables the stomach and digestive organs to digest and assimilate all of the wholesome food that may be eaten. It nourishes the body, and rebuilds the weak organs, restoring health and strength. Kodol cures indigestion, constipation, dyspepsia, sour risings, belching, heartburn and all stomach disorders.

Wild Man in Lighthouse.

Stratford Shoals light and perhaps the big Long Island steamers which are guided by it were saved last week through the heroic struggle which the keeper of the light, Merrill Hulse, made for seven days against an insane man, marooned alone with the keeper and determined to extinguish the light. The madman was Hulse's brother keeper, Julius Coster, who went crazy and tried to destroy the light. In attempts to get at the light, Coster wanted to kill Hulse. The lighthouse is situated on Long Island, midway between Bridgeport and Port Jefferson. Hulse had no warning that he was living with an insane man until one day Coster attacked him with a weapon made of a razor attached to the end of a long pole. The keeper overpowered Coster, who repeatedly afterward during the first two days of his companion's madness was forced to fight for his own life. Then Coster's mania took a new turn, and one afternoon Hulse found him with a hammer and chisel trying to cut away the walls of the lighthouse. That night the light suddenly stopped revolving, and its keeper ran to the lamproom, and found the light had been tampered with.

He was taken to a hospital.

Assaulted by Tramp.

In the absence of her parents Miss Cora Alexander, 22 years old, daughter of Mr. James Alexander, who lives near Loch Raven, Baltimore county, Md., was feloniously assaulted at her home yesterday morning by an unknown man, who afterward escaped. Fearful that the miscreant would return, the girl locked herself in the house, where for seven hours she remained, until her father and mother returned.

Mr. Alexander, who is foreman on the county roads, was at work, while his wife and the other members of his family were absent on a visit. It was upon her return from a spring, 50 yards from the house, whither she had gone for water, that Miss Alexander was attacked. Upon entering the house, which she thought unoccupied, except by herself, she was confronted by a man, who had been concealed behind the door. Without a word indicative of his intention, the man grasped the girl by the throat. After the assault the fellow departed hastily in the direction of Loch Raven.

In terror Miss Alexander dragged herself to her feet and locked the doors opening from the first floor. She then locked the other doors in the house, and entering one of the rooms, bolted that also. From the time of the assault until her mother and father appeared, about 5 o'clock in the afternoon, she remained a prisoner in her own house.

When her parents learned of the crime efforts were at once made to discover the perpetrator, but owing to the lateness of the hour nothing was accomplished. The assailant is supposed to be a tramp.

Disorders in Poland.

The police of Warsaw, Poland, were busy yesterday afternoon filling the jails with Jewish socialists. They captured 250 armed with revolvers and daggers in a synagogue. Fifteen others were arrested by the patrol after an exchange of shots. A bomb was discovered in the street yesterday morning, and three policemen were shot. There also were disturbances in the surrounding district. Gangs of revolutionists, armed with revolvers and bombs, attacked the government treasuries in the three district towns of Opotow, Lubartow, and Wengrow, resulting in stiff fighting with the police, several of whom were killed or wounded. Peasants destroyed the palace of Count Krasinski at Tykocin, near Rykocin.

A thousand socialists, who were holding a meeting in a forest near Lodz yesterday, were surrounded by soldiers. The majority of the socialists were arrested and many were wounded while trying to escape.

A Warning to Mothers.

Too much care cannot be used with small children during the hot weather of the summer months to guard against bowel troubles. As a rule it is only necessary to give the child a dose of castor oil to correct any disorder of the bowels. Do not use any substitute, but give the old-fashioned castor oil, and see that it is fresh, as rancid oil nauseates and has a tendency to gripe. If it does not check the bowels give Chamberlain's Colic, Cholera and Diarrhoea Remedy and then a dose of castor oil, and the disease may be checked in its incipency and all danger avoided. The castor oil and this remedy should be procured at once and kept ready for instant use as soon as the first indication of any bowel trouble appears. This is the most successful treatment known and may be relied upon with implicit confidence even in case of cholera infantum. For sale by Gibson & Timberman and W. F. Creighton & Co.

A WOMAN'S ORDEAL

DREADS DOCTOR'S QUESTIONS

Thousands Write to Mrs. Pinkham, Lynn, Mass., and Receive Valuable Advice Absolutely Confidential and Free

There can be no more terrible ordeal to a delicate, sensitive, refined woman than to be obliged to answer certain questions in regard to her private life, even when those questions are asked by her family physician, and many

continue to suffer rather than submit to examinations which so many physicians propose in order to intelligently treat the disease; and this is the reason female doctors are so scarce.

This is also the reason why thousands upon thousands of women are corresponding with Mrs. Pinkham, at Lynn, Mass. To her they can confide every detail of their illness, and from her great knowledge, obtained from years of experience in treating female

ills, Mrs. Pinkham can advise women more wisely than the local physician. Read how Mrs. Pinkham helped Mrs. T. C. Willadsen, of Manning, Ia. She writes:

Dear Mrs. Pinkham:

"I can truly say that you have saved my life, and I cannot express my gratitude in words. Before I wrote to you telling you how I felt, I had doctored for over two years, and spent lots of money in medicines, but it all failed to do me any good. I had female trouble and would have fainting spells, backache, bearing down pains, and my monthly periods were very irregular and finally ceased. I wrote to you for your advice and received a letter full of instructions just what I needed, and also commenced to take Lydia E. Pinkham's Vegetable Compound, and I have been restored to perfect health. Had it not been for you I would have been in my grave to-day."

Months later of proof establish the fact that no medicine in the world equals Lydia E. Pinkham's Vegetable Compound for restoring women's health.

A Virginian's Experience.

William Sidney Shacklett, of Delaplane, Fauquier county, the young hospital steward who was severely injured in the Bennington disaster, is expected at his home as soon as he is able to make the trip. The following is an extract from a letter just received by his mother:

"About 10:30 o'clock I was standing on the after ladder when suddenly there came a muffled explosion, and fire, ashes and steam came rushing from the alleyways. I succeeded in reaching the top of the ladder safely, but hearing the pitiful cries of some comrades I turned back and assisted one of them up the ladder, when a piece of iron struck me on the head and knocked me down. My foot was caught in the man-ropes and I was held a prisoner for a short time. It seemed an eternity, but keeping my coat over my face—thereby, I believe, saving my life—I finally succeeded in loosening my foot, climbed the ladder and was assisted over the side into a launch and brought ashore. Scores of men in the water, fearfully scalded; others drowning crying piteously for help, others screaming on the deck of the ship, the scalding steam pouring over them mercilessly, made a scene that eternity alone will blot from my memory. Sixty-five have now passed into the great beyond."

Agonizing Burns

are instantly relieved, and perfectly healed by Bucklen's Arnica Salve. C. Rivenbark, Jr., of Norfolk, Va., writes: "I burnt my knee dreadfully; that it blistered all over. Bucklen's Arnica Salve stopped the pain, and healed it without a scar." Also, all kinds of wounds and sores, etc. at E. S. Leadbeater & Sons druggists.
